2/ TECHNICAL SUPPORT PROCEDURE

The EuroNASCAR Management always look to improve the racing product and to offer equal assistance opportunities to every team following this procedure implemented to manage equally free technical support provided to all teams at the NWES events.

EVERY TEAM NEEDING A TECHNICAL ASSISTANCE MUST FILL THE TECHNICAL ASSISTANCE REQUEST FORM AND SUBMIT IT TO THE NWES PARTS SHOP TRAILER.

To be considered, this form must be completely filled and submitted to the Parts Shop trailer.

When available, within the operating hours above and in order of priority determined by the EuroNASCAR officials only, one of the EuroNASCAR technicians will come to the team's pit-box to assist the team.

All technical work on the car needed to prepare the technician assistance (dismounting, cleaning, ...) must be covered by the team PRIOR to the technician visit.

The NWES technicians will only provide an advisory opinion on how to solve the problem.

All mechanical work must be carried by the team crew. NWES technicians ARE NOT additional mechanics for the teams.

All advises and guidance provided by NWES technicians are purely advisory and do not engage their responsibility or the responsibility of EuroNASCAR Management.

TECHNICAL INSPECTIONS

9/ TECHNICAL INSPECTIONS

- **To do:** Teams must make their cars ready and come to the inspections respecting the notice to appear.
- **ALL teams must appear to technical inspections with Tire pressure in all 4 tires at 1.6 Bar.**
- Technical inspections will stand in the technical box located at Pitlane entrance Boxes 33-34.
- Scales and ride height platform will also be available for teams in the Technical box.

1/ Reminder of MANDATORY Team Manager Briefing in the Technical Box

7:45-8:00 Friday, June 7th at Brands Hatch, there will be a short MANDATORY Team Managers Briefing in the Technical Box to cover the instructions of the Technical Inspections for the Event Weekend. Attendance will be taken. This will be the start of a new process that we will have at all the remaining events to help provide more information.

A reminder for all Team Managers that when a car is called to the Technical Box it is Mandatory to appear per the Sporting Regulations. To help you better understand this the Inspection times are published on the Official Sporting Timetable.

Teams should come prepared with basic tools and the ability to remove fuel, if needed.

To prepare for the Initial Inspection on Friday, June 7 at 8:00 to 12:30, the car must come empty of all fuel for checking weights. Any time an ENPRO team changes a driver a Ballast Declaration Form must be completed and resubmitted.
